

## SUMMARY OF OFFERINGS

**Reg CF Offering:** Open to accredited and unaccredited investors. Price: \$200/Unit (minimum 1 Unit, no fractional Units will be offered). Each Unit consists of fifty (50) shares of common stock, plus one (1) share of Series P preferred stock and a pro-rata share of any dividend allocations in the future. A free 1-year Premier Membership (\$150 value) is included with the first Unit purchased. No voting rights for Units but potential dividend benefits for both common and preferred shares.

**Reg D 506(C) Offering:** Only available to accredited investors. Offering common shares of stock at \$1.00/share with a minimum purchase of 100,000 shares. Voting rights and potential dividend benefits.

**Reg A+ Offering:** Applicable to accredited and unaccredited investors. We are not selling these shares but granting them for promotional purposes such as giving one share of Series P preferred stock (a \$150 value) when a customer subscribes as a Premier Member for \$150. No voting rights, but potential dividend benefits for preferred shares.
